Dear Chris

Re: Disco for Goch Visit at Andover Rugby Club – Sunday, 25 June 2006

Thank you very much for forwarding the booking form for the above evening event and I have pleasure in enclosing the completed form, together with the Association's deposit cheque for £25.

When I reported back to our social sub-committee to tell them that I had spoken to you to book on a provisional basis, one of our members, Nigel Morton, had been to the event on the previous Saturday at Pewsey at which you were playing. He spoke very highly of you and the committee had no hesitation in wanting to confirm the booking.

We look forward very much to the evening and will keep you up-to-date with any items which we think may affect the evening, ie choice of music, age profile (old – ish!), timings, etc.

Should there be anything untoward from your point of view, I am contactable as above.

Best regards
Yours sincerely

Barbara Kyffin (Mrs)
